#### EFFECTS ON SHAREHOLDERS AND SECURITY HOLDERS

#### § 1.354-1 Exchanges of stock and securities in certain reorganizations.

(a) Section 354 provides that under certain circumstances no gain or loss is recognized to a shareholder who surrenders his stock in exchange for other stock or to a security holder who surrenders his securities in exchange for stock. Section 354 also provides that under certain circumstances a security holder may surrender securities and receive securities in the same principal amount or in a lesser principal amount without the recognition of gain or loss to him. The exchanges to which section 354 applies must be pursuant to a plan

of reorganization as provided in section 368(a) and the stock and securities surrendered as well as the stock and securities received must be those of a corporation which is a party to the reorganization. Section 354 does not apply to exchanges pursuant to a reorganization described in section 368(a)(1)(D) unless the transferor corporation—

(1) Transfers all or substantially all of its assets to a single corporation, and

(2) Distributes all of its remaining properties (if any) and the stock, securities and other properties received in the exchange to its shareholders or security holders in pursuance of the plan of reorganization. The fact that properties retained by the transferor corporation, or received in exchange for the properties transferred in the reorganization, are used to satisfy existing liabilities not represented by securities and which were incurred in the ordinary course of business before the reorganization does not prevent the application of section 354 to an exchange pursuant to a plan of reorganization defined in section 368(a)(1)(D).

(b) Except as provided in section 354 (c) and (d), section 354 is not applicable to an exchange of stock or securities if a greater principal amount of securities is received than the principal amount of securities the recipient surrenders, or if securities are received and the recipient surrenders no securities. See, however, section 356 and regulations pertaining to such section. See also section 306 with respect to the receipt of preferred stock in a transaction to which section 354 is applicable.

(c) An exchange of stock or securities shall be subject to section 354(a)(1) even though—

(1) Such exchange is not pursuant to a plan of reorganization described in section 368(a), and

(2) The principal amount of the securities received exceeds the principal amount of the securities surrendered or if securities are received and no securities are surrendered—

if such exchange is pursuant to a plan of reorganization for a railroad corporation as defined in section 77(m) of the Bankruptcy Act (11 U.S.C. 205(m))
